MEET THE SMALL, BUT MIGHTY, MOBILE DEVICE THAT DOES IT ALL

It may be compact, but the Xplore M60 will make a big impact on your business performance and bottom line. This high-performance Android™ mobile device is great for workers who need fast data access while on the move. This large-screen handheld computer will especially shine under bright sunlight, and it will work hard all (work) day long.

OUTLAST

OUTPERFORM

OUTSHINE

In other words, the Xplore M60 is the one handheld device that can give every worker around the world an equal, around-the-clock view of what's happening across every line of business.
